8. Standing Items

8.1 Developing Age Friendly Community

Access & Inclusion Plan

- \$170k upgrading of old slab footpaths to concrete – may include kerbing and pram ramps.
- ML – Developing concept design for “safe street” Moore Street to include disable bays next to Church and Kearnan (Moore Street).
- Footpath on church side poor as well as parish side.
- More inclusive design for Moore Street.
- Path on roadside to save trees. Slow points at Brockman.
- Path from Ipsen to Mount Streets.
- Parking may or may not be available. May be angle parking.
- ML to bring plans to Committee for comments.
- ML – curvy road – to incorporate the different parking aspects.

8.2 Cherry Glades

- Currently 2 demountable buildings on site.
- There are a further 4 buildings to be place on site.
- The housing is still for over 55's

8.3 Action Sheet

- Bevan Eatts – Chamber of Commerce representative.
- Windbreak on Brockman Street due to the potential to create a wind tunnel;
Not a permanent structure;
Would require all of the windbreak sides to be included not just the centre;
BR to look into different options;
Would require a scope of works to be undertaken.
BR to chase up MPS re a member from the Visitor Centre.
- Murals
GC undertook a presentation to Council on Murals within the townsite;
Public Art Policy/Statement identifying themes/places;
Currently no budget for works;
Look at what grants would be available;
Interest from Walpole and Northcliffe groups;
Maybe Public Arts not murals;
BR – look at space activation within the CBD

Moved: Pip Gavranich Seconded: Gail Ipsen Cutts

That a workshop be arranged in October separate to the scheduled Committee Meeting to discuss potential themes for Murals and space activation within the Manjimup CBD
