COMMITTEE OBJECTIVE

To provide advice to Council regarding strategic policy direction with the aim of promoting sustainability outcomes that are environmentally responsible, socially and culturally sound and economically viable. Advice to Council may be provided on the following sustainability topics:

- Climate change;
- Biodiversity;
- Built Environment;
- Land and waterway degradation;
- Water quality and conservation;
- Waste management;
- Community engagement and information sharing on sustainable practices; and
- Economic transition.

FUNCTIONS OF COMMITTEE

1. Identification of opportunities for activation of sustainability practices in the Shire of Manjimup;
2. Liaison with other relevant community groups and / or service agencies over potential sustainability projects;
3. Communicate and inform the local community about activities of the Committee;
4. To provide advice to Council on the development, management and promotion of sustainability practices in the Shire of Manjimup;
5. To make recommendation to Council in regard to matters that will improve sustainability in the Shire of Manjimup for the benefit of the broader community; and
6. To provide advice on trends in sustainability (e.g., technologies, government policy)
