

Candidate Details

Ballot paper name	MIOLIN, Steve
Candidate name	Steven James MIOLIN
District	Shire of Manjimup
Nominating for	Councillor for Urban Ward
Election type	Ordinary
Enrolment status	MIOLIN, Steve is eligible to stand for election as a resident of the Shire of Manjimup.

We live in an enviable location surrounded by a vast natural environment and food-bowl agriculture. I made Manjimup my home 43 years ago and have witnessed our Shire's growth and resilience.

A long-time educator, I've been fortunate to get to know the aspirations of young people - many who now have families of their own! My wife and I raised our children here and appreciate the importance of a safe, comfortable environment with country values of care, respect, independence, cooperation and community pride.

Local access to quality education, medical, sporting and cultural facilities, including aged care and child care is essential. We must maintain our roads, assets and emergency services, and support our local economy.

I have proven skills in effective communication, planning and teamwork. If elected, ethical evidence-based decisions, financial accountability and value for rate money are priorities.

I have time to commit to our community, and I will listen and represent you faithfully.
