

Shire President's Message

Community Survey

The 2021 Community Survey is out now. You are very strongly encouraged to take the time to complete the survey. Rather than go to social media to make your comments, make them on the community survey, this is your chance to shape the future of your region. Results from the community survey are used to form the basis of the Shire's strategic plan for the next 10 years.

In a very real sense the plan empowers the community and enables the Shire's decisions and actions to work directly towards the achievement of community identified goals and priorities. The Plan is a document owned by the community. The outcomes and strategies all stem from input gained from the community through community engagement. The 2016 census data has the Shire's population at 9250, with 1733 of those being

aged 0-14, that leaves 7517 residents that could supposedly complete the survey, in the previous survey we received about 600(6.5%) responses, lets beat that. Give us the real picture so that we can implement the real hopes and visions of the community.

Climate Change Response Community Consultation

As part of the review of the Strategic Community Plan, the Shire is undertaking community consultation on climate change response. Community workshops will assist in identifying and collating community feedback to inform the Shire's climate change adaptation, mitigation and advocacy actions.

Interested persons are encouraged to attend one of the workshops if possible. Reference documents for the workshop are available on the Shire's website and include an extract from the Shire's current Corporate Business Plan, detailing the environmental activities your Council has identified as being of importance to the community and a copy of the workshop presentation.

Pemberton Trails Master Plan

A Trails Master Plan has been developed for Pemberton by consultants Common Ground Trails. The project is a collaboration between the Shire of Manjimup, Department of Biodiversity, Conservation and Attractions, Department of Local Government, Sport and Cultural Industries, Pemberton Visitor Centre and Pemberton Cycling Association. The Master Plan covers non-motorised trails in the Pemberton region including walking, running, mountain biking, cycling, horse riding and canoeing/kayaking. The Draft outlines a vision for Pemberton to be recognised as a premier destination for enjoying the outdoors, with trails as the focus providing captivating experiences and connections. The Draft Master Plan is now available for community comment and can be downloaded on the Shire's website. The comment period will be open from the 2 to 25 March 2021 and comments should be forwarded to Common Ground Trails via – megan@trails.com.au

Until next time stay well and safe....Paul

PEMBERTON TRAILS MASTER PLAN

Consultants, Common Ground Trails were engaged to develop a Trails Master Plan for Pemberton. The project is a collaboration between the Shire of Manjimup, Department of Biodiversity, Conservation and Attractions, Department of Local Government, Sport and Cultural Industries and the Pemberton Visitor Centre. The Master Plan covers non-motorised trails in the region including walking, running, mountain biking, cycling, horse riding and canoeing/kayaking.

WHEN ? Wednesday 17 March 2021
WHAT TIME? 5.30pm to 8pm
WHERE? Jarrah Room
 Pemberton Sports Club
 Club Road, Pemberton

What is your vision for our community in 2031?

The Shire of Manjimup is undertaking a major review of its Strategic Community Plan and wants to know what the community's vision is for the future of our region.

Complete our Community Survey 2021

The survey is designed to measure community satisfaction with a range of Shire of Manjimup facilities and services, as well as seek the community's priorities for the next 10 years.

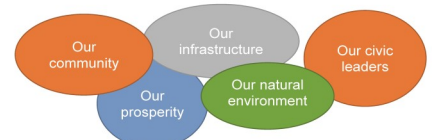

Everyone is invited to participate

All residents, workers, students, business operators and ratepayers, of any age, in the Shire of Manjimup are encouraged to get involved.

How can I complete the survey?

The survey is anonymous and can be completed or downloaded from the Shire of Manjimup website via www.manjimup.wa.gov.au/communitysurvey or collected and dropped off at this premises.

Please complete and submit your survey by Tuesday 19 March 2021

For more information contact Jason Giadresco on 9771 7777 or info@manjimup.wa.gov.au

What to do with:

- A teddy bear with a sore foot?
- An earring with a broken hook?
- A favourite jumper with a hole in it?

Bring it to the Manjimup Repair Café where a team of Volunteer Fixers are ready to greet you, meet you and repair it together.

Toss it? No way!

Make a Difference
