

3. COUNCIL POLICIES
3.3 COMMUNITY DEVELOPMENT
**3.3.1 Manjimup Regional AquaCentre –
Temporary Alterations of Operating Hours**

Background and Issues

At various times it is necessary to close, reduce or extend the operating hours of the Manjimup Regional AquaCentre in response to booking/event requests, maintenance matters, favourable or inclement weather, faecal contamination or other emergency situations.

Objectives

To be able to alter the standard hours of operation of the Manjimup Regional AquaCentre in response to abnormal and/or emergency circumstances.

Area of Application

Manjimup Regional AquaCentre

Policy Measures

That the Chief Executive Officer in consultation with the Manager Community & Recreation and the Manjimup Regional AquaCentre Co-ordinator(s) be authorised to close or extend the operating hours of the Manjimup Regional AquaCentre in response to booking/event requests, maintenance requirements, favourable or inclement weather, faecal contamination or other emergency situations.

Where practical any scheduled alteration to standard operating hours will be advertised up to 28 days notice to the public via newspaper media, in-situ notices and other available means such as social media.

The Manjimup Regional AquaCentre may be closed immediately in emergency situations. In such case AquaCentre staff will endeavour to notify known groups/individuals of the closure.
