1.2 OTHER COUNCIL ISSUES

1.2.4 Shire of Manjimup's Responsibility on Crown Land

Policy Measures

1. That due to the potential burden and cost placed on the community for the need for the Shire of Manjimup to carry out statutory functions on Crown Land (from which it receives no rateable income) there is a clear direction that the Shire of Manjimup will not take action in relation to the Health Act, Dog Act, Litter Act, Off Road Vehicles Act or other relevant Acts in relation to activities occurring within the Department of Biodiversity, Conservation and Attractions and other State managed estate ie; National Park, Crown Reserves and State Forest.
2. The Shire of Manjimup will however endeavour to take action and administer these requirements in urban areas particularly where Crown Land is subject to leasing arrangements to third parties i.e. Department of Communities – Housing tenancies.

Administration

The administration of this policy is by the Office of the CEO.
