GST & GRANTS OF FINANCIAL ASSISTANCE

The Australian Taxation Office (ATO) has issued the GSTR 1999/D13 “*Goods and Services Tax: Grants of Financial Assistance*” which provides their rulings on grants of financial assistance and funding.

Grants made to community organisations will be subject to GST where they represent consideration for a taxable supply. This means that grants which are subject to GST will be “grossed up” by 10%; otherwise the grantee will have an effective reduction in funding. Upon issue of a Tax Invoice by the grantee, the grantee will be required to remit 1/11th of the grant to the ATO as GST, and may be entitled to claim input tax credits related to expenditure incurred. If a grantee is not registered, or not required to be registered, then no GST will be payable on the supply, however withholding tax may apply which would reduce the available amount of the grant.

BUDGET

Please specify sources of income/funding and full details of expenditure, with supporting quotes if applicable. Quotes are required, showing the GST component, for any intended expenditure on capital items or engaging professional services.
