W solariscancer.org.au

This group course will allow you to express and process your experience in a supportive, professionally facilitated group, with others who have experienced the great pain of loss.

We believe that grief doesn't go away, it stays with you, and you learn to live around it.

Through discussions you will gain skills in identifying emotions, share ideas about how to honour and remember your loved one, and learn practical coping skills.

To Book

Please phone 9791 1559
